2026 Annual Train Show

Vendor Information

Welcome Back to our Show!

For the first time in 30+ years we have moved the date of the show. We did this due to the snows that are affecting our shows more and more. We hope a May show, still before summer, will ensure better weather and therefore a better attendance. We are also in a bigger room with No Carpet!

Check out the Sandhills Global Event Center's website for places to stay or eat while in town.
sandhillsglobaleventcenter.org

All tables, layouts, and vendor areas will be taped out before you arrive.

We will have name tags at check-in on Friday. Please put the names of everyone in your group on the included form that you mail back with your check and confirmation.
 Note: Limit of 10 Guests per Vendor.

Train shows are one of the best ways to introduce model trains and railroading to a new generation while supporting current railfans in the hobby.
